A report of a guest lecture on “Social Change and Economic Development”

Title of the Activity:	Guest lecture on “Social Change and Economic Development
Date:	04 th Aug. 2022
No. of Participate:	17
Timing:	10.30 am to 11.30 am
Venue:	Room no. 27
Outcome:	The students were aware about relation between economic development and social change.

Dept. of Sociology organized guest lecture on “Social Change and Economic Development” for the students of B. A. part I, II, III on 4th Aug. 2022. The speaker was Prof. Dr. Shinde R. K., Dept. of Economics, Arts, Commerce college for Women, Devpur, Dhule.

Prof. Dr. Shinde mentioned in his lecture there is generally said and understood that economic changes bring social changes (changes in caste, family, marital relationship, community structure, etc.) in their train. This type of relationship has been shown in the studies of rural and urban India. But, in reality, economic changes can occur only when the social conditions are favourable. Economic development is a continual process of opening new areas, spatially and sectorally, while closing others.

Felicitation of Prof. Dr. R. K. Shinde.
